

WORKING IN CAR DETAILING (YARDY)

This course is designed to provide students with the opportunity to learn specific skills related to working in businesses that employ car detailers as well as generic employability skills.

Delivery of the course is workplace based learning, giving the students the opportunity to apply the knowledge and skills they have learned in a real work situation in a number of different roles and environments.

Generic employability skills including the language, literacy and numeracy required for this industry will also be blended throughout the course.
