

# MILIFE-VICTORIA IN HOME SUPPORTS

Mi Home, Individual and Personal Support provides people the opportunity to be supported in a one to one capacity across multiple settings and in a variety of ways.

Support can be;

- In the home
- In the community
- At one of MiLife-Victoria services or another service as required

People can be supported in many ways. For example (but not limited to);

- Personal Care
- Domestic activities such as cooking, cleaning, help in the garden
- Support to get to and from appointments
- Personal shopping
- Support to engage in community activities
- Support to travel to and from activities or places
- Personal tutoring, online, at home or in a community venue such as the library
- Support to access a group activity

If you are interested in MiLife-Victoria supporting you in a one to one capacity, please call or email and talk to one of the team to discuss your needs today.
